

Sophie Livingstone | Product Designer

sophialivingstone@gmail.com | +2347018527654 | [LinkedIn](#) | [Portfolio](#)

Personal Summary

Product Designer with a background in growth marketing, which gives me a strong understanding of both user experience and product growth. I enjoy simplifying complex problems, improving product flows, and working closely with cross-functional teams to build products people actually want to use.

Skills

- **Design Tools:** Figma, Canva
- **Transferable (from Marketing):**
 - **User Research:** Experience conducting user research to understand audience needs and pain points, which is crucial for creating user-centered designs.
 - **UX Writing:** Skilled in crafting TOFU and BOFU content, as well as microcopy for digital products.
 - **Data-Driven Decision Making:** Utilized analytics and user feedback to guide marketing strategies, a key skill for iterating and improving product designs.
 - **Product Requirement Documents (PRD) Writing:** Experience in writing detailed PRDs that outline user stories and acceptance criteria, ensuring alignment between design and development teams.
 - **Style Guide Creation:** Familiarity with creating editorial style guides to maintain consistency and quality in communication, which is applicable to creating design systems and guidelines in product design.
- **UI/UX:** Wireframing, Prototyping, User Research, Interface Design
- **Other Skills:** Communication, Strategic Planning, Problem-Solving, Project Management, Teamwork
